

What our Guests are saying...

Fabulous

Stayed for a long weekend; really was a home away from home. Spacious, superb setting, fun for the kids. The accommodation was all that we could have hoped for"

Co. Limerick hideaway!

Spent a very relaxing week in the beautiful Ballyhoura Mountains. Mountain bike trails were just up the road. Brought our own bikes with us, but you can hire too. Lodge was spotless, more spacious than we had expected. Ita was very helpful during our stay, catering for all our needs and giving us local history and information"

Perfect

"My boyfriend and I stayed for weekend as an escape from the city retreat. We booked last minute and had great help booking over the phone with Ita. When we arrived we were wowed with how amazing the house and the location is. The photos don't do it justice, it truly is a beautiful place to have a holiday."

Don't delay, book with us today!

"Cosy Get Away"

I travelled with my sister, brother in law and our kids in July.

The lodges were lovely and had everything you could possibly need - if you could think of anything that was not there it could get it for you! Great central location for all the activities we wanted to do and something in the area for all the family.

A 10% discount was available when we stayed, for the Bicycles, horse riding and Mitchelstown Caves!
